Shibusawa Ami

When it comes to my own characters I usually don't pick favorites. So this is the first time I've felt this, it seems I really love Tiger! Both, his human and animal forms! Drawing him is so much fun!

Working on this manga is also very enjoyable. I'm so thankful for the staff and manager I can create all these fun situations with!

CHARACTERS

BIRD

A Chouin known throughout as the forest's information gatherer.

TIGER

A Jaws Herd's friend.

Jaws = of the Forest One!

The girl who became Herd's wife at the young age of 6.

HERO

The son of a Freeman. He's training to be a respectable Freeman himself!

MII

Her mother. She's merciful towards anyone, but she's not her daughter.

Hero, the only son of Freeman Papa, the King of the Forest, has taken Mii-chan as his wife. Though he's already married at the tender age of 6 he's still only half the Freeman he ought to be.

He trains everyday to be a "Freeman just like Papa!" but with the mutually smothering Papa and Amazoness and his friends, Tiger and Bird, Hero always ends up entangled in some problem or another!
